### Luxury Baby Couture From Mia Belle Baby

For uber function and security, Mia Belle Baby has introduced the Royal Dreams Collection featuring its patent-pending Slumber Totes which cradles and soothes babies during sleep.

**Description:** Parents no longer have to sacrifice fashion for function when it comes to baby's needs thanks to Mia Belle Baby, the new name in luxurious baby couture and accessories. The new collections, created for discerning and fashion conscious parents, will debut in select boutiques and online at [miabellebaby.com](http://miabellebaby.com), just in time for the holiday season. Each Mia Belle Baby product features the finest plush fabrics accented with stylish vintage inspired trims, laces and patchwork patterns including 100% mercerized cotton and the company's cozy signature "Snuggle Pie" knit allowing for total luxury and baby comfort.
