I'm a sucker for baby blankets. When I opened the package to find [this](#) beautiful blanket from [Mia Belle Baby](#), I smiled from ear to ear. It was gorgeous. I couldn't stop touching it! Made with several different fabrics and textures, the blanket and matching pillow is sure to become a household favorite!

[Mia Belle Baby](#) blankets come in coordinated styles with the Stroller Liner Collections and Slumber Tote Collections and are universal and ideal for year round use at home, in strollers and for sleeping. Matching baby pillow is perfect for feedings, support for sitting up, or extra cushion for the tushy on swings and high chairs.

[Mia Belle Baby](#) focuses on fulfilling modern parents demand for quality and function while preserving the beautiful timeless styles that our mothers and grandmothers cherished when they were young mothers. Each product is carefully selected based on what is most essential and most often used in babies first years of life. Coco Chanel said it best "Luxury must be comfortable otherwise it's not Luxury". With that in mind [Mia Belle Baby](#) defines itself with effortless luxury, exquisite fabrics and clever designs.
